Spy vs. Spy

A game of intrigue, mystery, and survival.

Many of us enjoyed a very interesting game of Spy vs Spy last month. Many people were killed -but not harmed- in this very fun and exciting game. Coming out on top and still alive at the closing of the game were Rachel Morrissey, Hannie Brake, and Abbie Brake for the girls and Michael Morrissey, Jimmy Fletcher, and Jacob Price for the boys. All winners received a bag of chocolate but the top boy and top girl received special prizes. The top boy was Michael Morrissey and his prize was a pair of walkie-talkies. The top girl was Rachel Morrissey and her prize was a \$15 gift card to Target. Congratulations to all of the winners. You all must have been very good at staying alive or at least away from your killer. To everyone else, you may want to take lessons from these people because we are going to be playing this game again in the future. But watch out. Michael may use his walkie-talkies to spy on you and Rachel may have a new look by then. Until then, keep your eyes and ears open for strategies.

Bake Sale

We are planning a bake sale for the first Sunday in November, which is November 2. If you bake something, you will receive a cut of the earnings, but this is the only way to earn some money from this particular fundraiser. This money will go into your youth account to be used for future events. You may want to think about this because many big events are coming up!

brrrrrrr

This winter we are planning some fun events. We are planning a snow tubing event that we have been wanting for a couple years now. This is planned for January so keep watching for more information on this fun event for our youth group. In February, the district is planning their annual ski retreat. This goes on every year and is attended by other churches in the district as well. This may be an event to go to if you want to meet new people. These are events that may cost money so if you are interested in them, you may want to bake something or participate in future fundraisers. They are sure to be a blast.

Whirly ball

Another thing to look forward to is a Whirly Ball event. This is tentatively scheduled for November 22. This is not set in stone but this is the date we are hoping to go. It will cost a little bit of money so this would be another reason to help out in the fundraisers. You won't want to miss this trip
